Geography, Vol. 67, 1982

INDEX

Adams, J. *Transport planning: vision and practice,* rev., 284-5
Africa *(see also* Botswana; Nigeria; Sierra Leone; Tanzania; Zimbabwe)
African perspectives: an exchange of essays on the economic geography of nine African states (de Blij and Martin), rev., 368-71
Migration in West Africa (Zachariah and Condé), rev., 286
Rifts and volcanoes: a study of the East African rift system (Nyamweru), rev., 177
Agriculture
Agricultural change in Sierra Leone (Binns), 113-25
Agricultural planning in Nigeria (Floyd), 345-7
An assessment of Poland's agricultural resources (Dawson), 297-309
Australian agriculture (Scott), rev., 368
Plantation agriculture (Courtenay), rev., 95
Trends in the Tasmanian orcharding industry (Wood), 68-70
Aldridge, D. *The monster book of environmental education,* rev., 276
America, North *(see also* Canada, USA)
Data-response exercises on North America and Western Europe (Tolley), rev., 271
Anderton, B. A. Blaenau Ffestiniog: re-appraisal of an environment, 54-6
Applied geography
Coastal geomorphology (King), 235-43
Assessment of Poland's agricultural resources (Dawson), 297-309
Atkinson, B. W. *Dynamical meteorology,* rev., 174-7
Atlases
Hamlyn historical atlas, rev., 189
Philip's illustrated atlas of the world, rev., 185-6
Audio-visual aids
Meteorology from space (slide-set), rev., 272-5
Australia
Australian agriculture (Scott), rev., 368
Trends in the Tasmanian orcharding industry (Wood), 68-70

Balchin, W. G. V.
Concern for geography, rev., 357
The future of the Ordnance Survey, 250-52
Barry, R. G., *Mountain weather and climate,* rev., 363
Bartley, G., *see* Slater, T. R.
Basis for choice? Geography and pre-employment courses in the sixth form (Schools Council/Hart), rev., 371
Bennett, R. J., *see also* Wrigley, N.
(ed.) *European progress in spatial analysis,* rev., 276
Behavioral problems in geography revisited (Cox and Golledge), rev., 354
Bell, P. G. E., *et al.* (eds) *Experiments in the teaching and learning of geography,* rev., 181
Best, R. H. *Land use and living space,* rev., 283
Binns, J. A. Agricultural change in Sierra Leone, 113-25
Biogeography
Biogeographical processes (Simmons), rev., 286-7
Historical plant geography (Stott), rev., 173
Human impact on the ecosystem (Tivy and O'Hare), rev., 358
Blacksell, M. Reunification and the political geography of the Federal Republic of Germany, 310-19
Blacksell, M. and Gilg, A. *The countryside: planning and change,* rev., 171
Blaenau Ffestiniog: re-appraisal of an environment (Anderton), 54-6
Boal, F. W. and Douglas, J. N. H. (eds) *Integration and division: geographical perspectives on the Northern Ireland problem,* rev., 367
Book reviews, 81-95, 167-91, 271-87, 353-71
Books and publications received, 191-2, 287, 372-5
Botswana
Rural development in Botswana (Browne), 255-8
Bourne, L. S. *The geography of housing,* rev., 82
Bowen, M. *Empiricism and geographical thought from Francis Bacon to Alexander von Humboldt,* rev., 272
Bowen-Jones, H., *see* Clarke, J. I.
Boyle, M. J. and Robinson, M. E. A further note on French nuclear energy, 148-9
Bradshaw, M. Process, time and the physical landscape: geomorphology today, 15-28
Branch plant economy: a study of external control (Watts), rev., 284
British Isles *(see also* Wales *and individual cities and counties)*
Britain's inner cities (Lawless), rev., 82-5
British regional development since World War I (Law), rev., 280
British rivers (Lewin), rev., 178
Coal in Britain (Manners), rev., 280
Distribution by rail in the United Kingdom (McKinnon), 51-4
Drastic reduction in the United Kingdom air pollution monitoring network (Elsom), 134-7
Environmental hazards in the British Isles (Perry), rev., 172
Land use and living space (Best), rev., 283
National Parks: conservation or cosmetics (MacEwen), rev., 283
Southeast and southern England (Jones), rev., 172-3
Transformation of rural England, c. 1580-1800 (Butlin), rev., 367-8
Brown, L. A. *Innovation diffusion,* rev. 357
Browne, A. W. Rural development in Botswana, 255-8
Brunsden, D. and Goudie, A. *Classic coastal landforms of Dorset,* rev., 172
Burgess, W. Hokkaido: Japan's new frontier, 64-8
Burtenshaw, D. *The city in West Europe,* rev., 168
Butlin, R. A. *The transformation of rural England, c. 1580-1800,* rev., 367-8

Canada
Canadian geographical education (Choquette), rev., 189
Dempster Highway: road to resources? (Kent), 142-5
Maps of Canada (Nicholson and Sebert), rev., 186
